Physical Medicine and Rehabilitation Board Review: Clinical Knowledge Review Online CME Course

Activity Description

The Mayo Clinic Physical Medicine and Rehabilitation Board Review: Clinical Knowledge Review – Online CME is designed for candidates preparing for certifying and maintenance of certification examinations in physical medicine and rehabilitation. The course includes a comprehensive review of all 16 exam topic areas and is intended to facilitate additional study, as needed.

Designed with practice content specifically aimed to prepare learners for PM&R certifying and maintenance of certification exams, the 16 modules serve as a review and can be used as stand-alone education. The modules are a great way to supplement learning prior to taking the Physical Medicine and Rehabilitation Board Review: Oral Board Mastery - Online CME course.

This is an independent educational activity of Mayo Clinic and is not planned in conjunction with the American Board of Physical Medicine and Rehabilitation.

Target Audience

This course is designed for physicians, residents, and fellows preparing for certifying examinations in physical medicine and rehabilitation.

Learning Objectives

Upon conclusion of this activity, participants should be able to:

- Describe the common conditions treated by physical medicine and rehabilitation
- Recall skills in patient care that are appropriate and effective for the treatment of commonly seen patients in a physiatric practice

Attendance at this Mayo Clinic course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

Accreditation Statement

In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Statement(s)

AMA

Mayo Clinic College of Medicine and Science designates this enduring material for a maximum of 15.25 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AOA

The American Osteopathic Association designates this program for a maximum of 15.25 AOA Category 2-A credits.

Other Healthcare Professionals
A record of attendance will be provided to all registrants for requesting credits in accordance with state nursing boards, specialty societies or other professional associations.

Disclosure Summary
As a provider accredited by Joint Accreditation for Interprofessional Continuing Education, Mayo Clinic College of Medicine and Science must ensure balance, independence, objectivity and scientific rigor in its educational activities. All who are in a position to control the content are required to disclose all financial relationships with any ineligible company. Faculty will also identify any off-label and/or investigational use of pharmaceuticals or instruments discussed in their content for FDA compliance.

Listed below are individuals with control of the content of this program who have disclosed…

Relevant financial relationship(s) with ineligible companies:
None

All relevant financial relationships listed for these individuals have been mitigated.

No relevant financial relationship(s) with ineligible companies:

Andrea J. Boon, MD	Cara C. Prideaux, MD
Jeffrey S. Brault, DO	Amy E. Rabatin, MD
Andrea L. Cheville, MD	Billie A. Schultz, MD
Dmitry Esterov, DO	Jacob L. Sellon, MD
Kristin L. Garlanger, DO	Carmen M. Terzic, MD, PhD
Russell Gelfman, MD	Jeffrey M. Thompson, MD
Brian E. Grogg, MD	David C. Weber, MD
John H. Hollman, PT, PhD	Mark Winemiller, MD
Margaret A. Moutvic, MD	Corinne Irish
Thomas P. Pittelkow, DO	

References to off-label and/or investigational usage(s) of pharmaceuticals or instruments in their presentation:

Name	Manufacturer/Provider	Product/Device
Amy E. Rabatin, MD	Dantrolene Clonidine Tizanidine Gabapentin Botulinum Toxin	Medications for spasticity management
Billie Schultz, MD	Amantadine Medical Cannabis	Brain recovery; Spasticity management
